

**Definition of Manufacturer
(As in Use-December, 2020)**

Any industrial company and/or corporation engaged on a commercial scale in the original manufacture of metallized, coated and/or laminated flexible films so long as the following requirements are satisfied:

- a) Minimum sales of film of twenty-five (25) million square feet on an annual basis;
- b) Minimum sales of film of five (5) million square feet of film sales on an annual basis being coated or laminated in its own facilities;
- c) Agreement that the company will file a certification statement annually on the information in (a) and (b) with the Executive Director of the Association if so requested; and,
- d) Agreement that annual volumes reported in above are subject to confidential verification by the Executive Director of the Association upon request by the Board of Directors of the Association, only in the event that this category for membership is questioned by an existing member and the Board believes such verification request to be reasonably necessary, in its opinion only.
